# Report of the Directors For the Year Ended 31 March 2018

The directors, who for the purposes of charity law are the trustees of the charity (hereinafter referred to as 'Trustees'), are pleased to present their report and the financial statements for the year ended 31 March 2018.

#### **Objectives and Activities**

The charitable purposes of the Scottish Fair Trade Forum (the Forum) are to relieve poverty by establishing, maintaining and promoting Scotland as a Fair Trade Nation, thereby to improve the work of the voluntary sector and effectiveness of charities forming part of the Fair Trade movement by:

- a) supporting, building, extending and maintaining the Fair Trade movement in and throughout Scotland
- b) educating stakeholders and the public generally through the production of relevant information, marketing and promotion of Fair Trade at every level of Scottish society
- c) facilitating and exchanging knowledge and information between Scotland and other Fair Trade countries and communities; and
- d) facilitating and exchanging knowledge and information between Scotland and Fair Trade producers in developing countries.

The Forum's Mission, Vision and Aims are:

Vision: The Scottish Fair Trade Forum works to help make Scotland a nation which is a global leader in challenging global poverty and recognises the dignity and rights of producers through a commitment to fairness in international trading.

Mission: The Scottish Fair Trade Forum exists to maintain Fair Trade Nation status for Scotland and build upon that achievement to embed the values of Fair Trade in all aspects of Scottish society.

#### Aims:

- 1. To maintain and develop Fair Trade Nation status.
- 2. To integrate Fair Trade principles into decision-making and procedures at all levels of government in Scotland
- 3. To encourage the business community to integrate Fair Trade principles and corporate accountability into all aspects of their business, and to encourage the growth of the Fair Trade sector in Scotland.
- 4. To develop and enable strategic partnerships with communities and activists.
- 5. To engage the broader public in Scotland's Fair Trade Nation campaign by raising awareness and encouraging understanding of the role of Fair Trade in creating a more sustainable world.
- 6. To strengthen links with producer communities and continue to promote awareness of the mutual benefits derived by consumers and producers from Fair Trade.

## Achievements and Performance

Having achieved Fair Trade Nation status in February 2013 and had that status successfully reassessed in February 2017, the Forum continues to be engaged with ensuring that the achievement is maintained and developed, working at all levels of society to increase awareness and understanding of Fair Trade.

In 2017/18, the Forum had one year's core funding from the Scottish Government linked to agreed activities, outputs and outcomes. This one-year funding was planned as an interim measure while the Scottish Government held a review of how it supported Fair Trade and it was anticipated that the Forum would return to multi-year funding arrangements in the future.

#### Achievements and Performance (continued)

#### Organisational development and planning

The Board decided to instigate a programme of organisational development and planning, having took into account comment from the Scottish Government, members and supporters as well it its own deliberations, the recommendations of the reassessment of Fair Trade Nation, and the wider context of key factors facing the Fair Trade movement globally and future international trade such as changes in certification and the implications of Brexit and international trade deals.

The Board also noted that it would not be reasonable to expect that core funding from the Scottish Government would continue indefinitely at a consistent level and that it is not healthy to be core funded from one source for a prolonged or indefinite period. Therefore, the Board established a Development Group of Board members and staff to work with a consultant to develop new income generation ideas and produce a draft ten year business plan to be the basis of consultation with funders, partners, members and supporters in 2018/19.

#### Scottish Government and Scottish Parliament

The Scottish Government is still currently the Forum's main funder and a strong supporter of Scotland's Fair Trade Nation campaign. Regular communication with Scottish Government officials and consistent Ministerial support has enhanced work with Scottish public, private and voluntary sector organisations and partners in the international development sector. The Minister for International Development and Europe, Dr Alasdair Allan MSP, has continued to support the Forum over the last year through meetings and events.

The Scottish Parliament Cross Party Group on Fair Trade has continued to meet throughout the year with Colin Smyth MSP as Convenor and Gordon Lindhurst MSP as Vice Convenor discussing such issues as Fair Trade verification systems and Brexit.

## The Fair Trade market in Scotland

As part of the Forum's work on understanding the Fair Trade market in Scotland, a survey of businesses in Scotland importing, supplying and selling Fair Trade products was carried out and also a national consumer survey was undertaken. The data from the business survey and consumer polling has being analysed in order to inform activities in the year ahead to support the growth of the Fair Trade market in Scotland. Significant work on the 'suppliers page' on the website has been undertaken to improve the level of information available and also the 'searchability' of that information. This will lead to a significantly improved online interface in 2018/19.

## Key purchasers in the public sector, private sector, and the cultural and sports sector

The Forum continues to work with the Scottish Government's Procurement Directorate and public sector procurement officers with the aim of increasing procurement of Fair Trade goods by public sector bodies. The Forum has been working with the Procurement Directorate to produce case study examples of best practice.

The Forum has continued to develop its relationships with public sector organisations. It has continued to work closely with Scotland's local authorities and it has developed its links with other public sector organisations. The Forum works closely with the education sector at early years, school, college and university level. The early years work has been successfully integrated into the wider education support work of the Forum. The Forum has continued to work closely with Development Education Centres to support their work in providing professional development for teachers and educational resources on Fair Trade.

The Forum has also targeted in particular the private sector, and cultural and sporting venues and organisations throughout the year and has learnt lessons about engaging with these organisations in order to work with them more effectively in the future.

#### Achievements and Performance (continued)

### Supporting local Fair Trade groups and campaigners

The Forum's tenth annual Fair Trade Campaigner Conference was held in Perth. This event, as has been practice in recent years, incorporated the Forum's AGM to maximise attendance and participation in both events by campaigners from across the network. The conference was addressed by speakers from the Forum, Fairtrade Foundation, the Scottish Government International Development Team and the Trade Justice Movement. In a break from previous practice, the conference was co-hosted by the local Fair Trade Group who hosted the content of the afternoon session.

The Forum has continued to offer support and assistance to local groups with media work, assistance in setting up new Fair Trade Town groups, events planning and general advice. Through the Forum website, use of social media and newsletter, we have regularly highlighted and publicised local Fair Trade events and some of the work that serves as examples of best practice. The Forum continues its small grants programme, the Community Grants Scheme, to support local community groups in promoting Fair Trade. During the year, the Forum has begun work to establish a regional network of campaigner groups and Fair Trade Champions in each region.

Two more local authority areas, Dumfries and Galloway and South Ayrshire, were awarded Fairtrade Zone status by the Fairtrade Foundation during the year.

The Forum hosted the fifth Scottish Fair Trade Awards, this year in Paisley in partnership with Rainbow Turtle, recognising the work of volunteers, campaigners and organisations in promoting Fair Trade across Scotland. Some of the awards attracted sponsorship for the first time.

Professor Bob Doherty of York Management School, University of York, delivered the Annual Fair Trade Nation Lecture, which took place this year at the City of Glasgow College on the subject of 'Food Security and Fair Trade'.

#### Producer tours and links

For Fairtrade Fortnight 2018, Bernard Kaunda (Acting Chief Executive) and Christopher Gondwe (Quality and Processing Executive) were our guests from Mzuzu Coffee Planters Co-operative Union. The adverse weather conditions meant that we lost a significant number of events in the first week of the fortnight in St Andrews, Perth, Stirling, Dundee and Aberdeen. The rest of the programme progressed well including visits to retailers selling Mzuzu Coffee, and Matthew Algie in Glasgow that roast Mzuzu coffee beans. They also had discussions with Fair Trade Scotland about bringing 'value added' coffee to the Scotlish market. They took part in community events in Hamilton, Edinburgh and Renfrewshire. They also met the Minister for International Development, the Cabinet Secretary for External Affairs, the Cross Party Group on Fair Trade and took part in a joint video call meeting of the Scotlish Parliament Cross Party Group on Malawi and the UK Parliament's All Party Group on Malawi. They also took part in a number of events hosted by the Scotland Malawi Partnership before returning to Malawi.

## Partners and stakeholders

The Forum has maintained its close working relationship with the Fairtrade Foundation and Fair Trade Wales. The Fairtrade Foundation was represented at the Forum's AGM and Campaigner Conference. The Forum continued to develop a network of organisations globally interested in developing the model of Fair Trade Nations and Regions globally. The Forum co-lead a workshop at the International Fair Trade Towns Conference on 'Fair Trade Nations and Regions' and was represented in Belfast at the announcement of Northern Ireland as a Fairtrade Devolved Region.

The Forum has continued to work closely with a wide range of partner organisations including Scotland's International Development Alliance, the Scotland Malawi Partnership and the Development Education Centres (DECs). Memoranda of Understanding have been agreed with five DECs and it has been agreed with SMP to develop a MoU with them.

# Report of the Directors (continued)

#### Achievements and Performance (continued)

We were a partner in a successful funding application to the Scottish Government's Rwanda funding stream. This project is led by Challenges Worldwide to develop the Fairtrade coffee market from Rwanda. The Balmore Trust was successful in an application to the Scottish Government International Development Small Grants Scheme in which we are a partner that will support work with farmers in Malawi achieve World Fair Trade Organisation (WFTO) Guarantee System status for their products.

#### **Financial Review**

The income and expenditure for the year is set out in the Statement of Financial Activities on page 9, which shows restricted and unrestricted funds in separate columns. This shows an increase in funds of £7,629 during the year, with an increase in unrestricted funds of £1,046 and in restricted funds of £6,583. The movement on each separate fund is shown in note 10 on page 15.

Income increased to £172,112 from £150,045, mainly due to an increase in the core Scottish Government grant and additional grant income from Challenges Worldwide for the new Rwanda coffee growers' project. Expenditure decreased to £164,483 compared to £185,461 in the previous year. General campaign expenditure was reduced, partly due to additional specific grants being awarded in the previous year as well as other restricted fund spending in the previous year. A detailed analysis of expenditure is shown in note 3 on pages 12-13.

Total funds at the year end amounted to £25,018. The general unrestricted fund was £14,706, there was a designated fixed assets fund of £918 and restricted funds of £9,394 were held for the purposes outlined in note 10.

#### Reserves Policy

It is our policy to hold 'free' reserves equivalent to at least 3 months' fixed costs, estimated at around £32,900 and at no point should these be more than 18 months' fixed costs. At the end of the year, the charity held unrestricted free reserves, excluding those held as fixed assets, of £14,706. The Trustees are actively seeking ways to grow reserves through generating unrestricted income from donations and events and ensuring that all core and project expenditure remains within budgeted and funded levels.

#### Structure, Governance and Management

The Scottish Fair Trade Forum (the Forum) is a company limited by guarantee, with the liability of members limited to £1 each. The company is governed by the terms of its Memorandum and Articles of Association and is a registered Scottish charity. Trustees (who are directors of the company) are recruited from the membership. Up to three Trustees are elected by each section of the membership: the 'Individual Members', the 'Small Business and Organisation Members', the 'Medium Business and Organisation Members', the 'Large Business and Organisation Members' and up to three Trustees co-opted by the Board. A third of the Trustees are subject to re-election each year. At the 2017 AGM, one third were up for re-election and all places were filled.

Trustees continue to be encouraged to keep up to date with their responsibilities under charity and company law. A Trustee Handbook reflecting current best practice is issued to all Trustees. The Trustees meet a minimum of five times per year and are responsible for the strategic direction and policies of the charity. They are aware of the major risks affecting the charity and consider that, as far as possible, appropriate procedures are in place to mitigate those risks. The names of those who served as Trustees during the year are shown below together with other reference and administrative information.

The Forum continues to operate successfully from offices in Robertson House in central Glasgow. Robertson House is operated by the Robertson Trust as a hub for third sector organisations.

# Report of the Independent Examiner To the Trustees of Scottish Fair Trade Forum

I report on the accounts of Scottish Fair Trade Forum for the year ended 31 March 2018, which are set out on pages 9 to 17.

## Respective responsibilities of trustees and examiner

The directors, as trustees of the charity, are responsible for the preparation of the accounts in accordance with the terms of the Charities and Trustee Investment (Scotland) Act 2005 (the 2005 Act) and the Charities Accounts (Scotland) Regulations 2006, as amended (the 2006 Accounts Regulations). They consider that the audit requirement of Regulation 10(1) (a) to (c) of the 2006 Accounts Regulations does not apply. It is my responsibility to examine the accounts as required under section 44(1) (c) of the 2005 Act and to state whether particular matters have come to my attention.

# Basis of independent examiner's statement

My examination is carried out in accordance with Regulation 11 of the 2006 Accounts Regulations. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeks explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

## Independent examiner's statement

In the course of my examination, no matter has come to my attention:

- 1. which gives me reasonable cause to believe that in any material respect the requirements:
  - to keep accounting records in accordance with Section 44(1) (a) of the 2005 Act and Regulation 4 of the 2006 Accounts Regulations, and
  - to prepare accounts which accord with the accounting records and comply with Regulation 8 of the 2006 Accounts Regulations

have not been met, or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

# Scottish Fair Trade Forum Notes to the Financial Statements for the Year Ended 31 March 2018

# 1. Accounting Policies

## Basis of Accounting

The financial statements have been prepared on the historical cost basis and in accordance with the requirements of:

- the Companies Act 2006
- Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued on 16 July 2014 (Charities SORP (FRS102)); and
- the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

The charity constitutes a public benefit entity as defined by FRS102.

The Trustees consider that there are no material uncertainties about the ability of the charity to continue as a going concern for the foreseeable future. Accordingly, the accounts have been prepared on a going concern basis.

#### Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably. Income received by way of grants and donations is included in full in the Statement of Financial Activities when receivable. Where entitlement is conditional on the delivery of a specific performance by the charity, grants are recognised when the charity earns the right to consideration by its performance. Where a grant or donation is given for a specific purpose, it is included in restricted income and any unexpended portion is carried forward as a restricted fund.

# Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. All expenditure is accounted for on an accruals basis. The charity has opted not to report on the activity basis. Expenditure is instead reported by cost type. The headings used have been amended to reflect the 2017-18 strategic plan and funding framework, and the prior year figures have been classified according to these headings.

# Other Basic Financial Instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

### **Taxation**

The company is recognised as a charity for the purposes of applicable taxation legislation and is therefore not subject to taxation on its charitable activities. No charge to corporation tax arose during the year. The charity is not registered for VAT and accordingly any irrecoverable VAT incurred is included within the item of expenses to which it relates.

#### **Pensions**

The charity makes pension contributions to defined contribution pension schemes on behalf of its employees. Contributions are charged to expenditure as they become payable.

#### Leases

Rentals under operating leases are charged on a straight-line basis over the lease term.

# **Notes to the Accounts (continued)**

# 1. Accounting Policies (continued)

#### **Funds**

**Unrestricted funds** can be used in accordance with any of the charitable objects at the discretion of the Directors.

**Designated funds** are set aside by the Directors out of unrestricted funds for specific future purposes or projects. There is also a designated fixed asset fund corresponding to the book value of tangible fixed assets

**Restricted funds** can only be used for particular purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular purposes.

## Notes on funds:

- (a) Fair Trade Nurseries is a project engaging with children in nursery education and developing resources for 3-5 year olds. The project was previously supported by grants from the Big Lottery Fund Awards for All, Scotmid, SQA and Foundation Scotland and by donations received in previous years. The fund has been fully spent during the year.
- (b) Small donations and sponsorship received in the previous year towards the costs of producer tours and other events. The fund was fully spent during the year.
- (c) The core Scottish Government grant is to support the Forum delivering its work in leading and coordinating activity to maintain and develop Scotland's Fair Trade Nation status. The balance on the fund is carried forward to be spent in the subsequent financial year with the agreement of the funder.
- (d) The Challenges Worldwide fund represents the charity's element of a Scottish Government grant to support coffee growers in Rwanda, for which Challenges Worldwide is the lead partner. The grant period runs for 5 years from April 2017. The balance carried forward will be spent in the subsequent financial year.
- (e) The Gordon Fraser Charitable Trust has awarded a grant to support work to promote Fairtrade amongst young people as part of the Year of Young People. The grant will be spent in the subsequent financial year.
- (f) Designated fixed asset fund: This corresponds to the net book value of fixed assets. The net book value at the start of the year has been transferred in to the fund. Annual depreciation is charged to this fund and the cost of any fixed assets purchased is transferred into the fund.
